Plato's Canopy

The Impact of Trees on our lives

5-part Series: Let's get philosophical about trees!

Arthur Lake, moderator, will take us on a journey of discovery through insights, videos, & a 'how-to-do-research' about this fascinating topic. Explore the many roles' trees play in our lives, from building structures to influencing climate. Diverse topics that we'll shed light on through the forest canopy, striving to achieve Plato's standard.
