

2026 Spring Potpourri

partners
IN LEARNING

Partners in Learning Series of Presentations & Tours

In our Spring Series we offer one event each **Monday** (or as noted) featuring a presentation by a local guest speaker or a trip to a nearby exciting attraction. \$5 at the door. Some excursions may include pre-registration and/or lunch at your cost.

1. April 13, 10:00 am *Grand Bend Place, 25 Main St., Grand Bend ON.*

The Emerging World of Artificial Intelligence - Bob Illman

But the real question for us is not simply what AI can do. The deeper question is what it means for us as human beings and as communities.

2. April 20, 10:00 am *Grand Bend Place, 25 Main St., Grand Bend ON.*

Saving Public Health Care, June Weiss

Learn about the Ontario Health Coalition, non-profit advocates for saving public healthcare, with June Weiss chair of Sarnia-Lambton Ontario Health Coalition.

Website: <https://www.ontariohealthcoalition.ca/>

3. April 27, 10:00 am *Grand Bend Place, 25 Main St., Grand Bend ON.*

The Art of Taoist Tai Chi, Elaine Wardle

She will talk about its Canadian roots via the history of Master Moy, describe and demonstrate some of the 108 moves, and invite both tai chi and audience members to practice a few. She will also be able to answer any questions audience members have for her regarding tai chi, when and where classes are held, cost and equipment required, etc.

4. Wednesday, May 6 *Field trip to Point Edward Arena, 210 Monk St. Point Edward*

Age-Friendly Sarnia-Lambton Expo

- Suggested Itinerary: Arrange your own car pool; arrive at arena at 10:00 am; tour exhibits 10-noon; drive to DeGroot's Nurseries (1840 London Line, Sarnia) for lunch at 12:30 at 'ME Thyme'.
- **Call Fredi if you are going to lunch and leave message: 519-243-2127**
- This **free** community event features numerous exhibitors, resources, and services focusing on healthy aging, active living, and support systems for older adults.
